(Professor of Computer Science and Engineering
AI Expert | Author | Former Professor & Head, CS Dept., MBM Engineering College

- MBM University
- M.B.M. Engineering College, Jodhpur

Dr. Chowdhary is a senior education leader and technology innovator with a rich and diverse career spanning several decades. His journey has been characterized by a relentless commitment to excellence in academia, leadership in the technology domain, and a passion for nurturing the next generation of professionals.

Key Accomplishments:

He served as the Professor & Head of the Dept. Computer Sc. & Engg. Dept. at M B M Engineering College for multiple tenures, Feb. 2001-Jun. 2006, and again from June 2009-Dec. 2013. During these pivotal years, He steered the department's growth and played a crucial role in shaping the educational landscape in computer science. In the academic year 2012-2013, He contributed to the governance of J N V University as a Member of the Syndicate, providing valuable insights and expertise to university-level decision-making.

From 2001 to 2013, I directed the University Computer Centre at J N V U. In this capacity, He championed technology adoption and innovation, ensuring that the institution remained at the forefront of technological advancements. As a Visiting Faculty member at the prestigious IIT Jodhpur, He had the privilege of sharing my knowledge and contributing teaching to CS students from October 2010 to April 2017.

From April 2014 to July 2019, He served as the Director of JGI (JIET Group of Institutions), playing a pivotal role in the development of these institutions. Associate Professor at M B M Engineering College: He started my academic career as an Associate Professor and served in the Department of Electronics & Communication Engineering from February 1985 to September 1997, and later at CS dept up to February 2004.

Scientific Officer at Bhabha Atomic Research Centre (B A R C): He had the honor of serving at BARC, Mumbai, as a Scientific Officer SO/C (1979-1983) and as a Scientific Officer /SD (1983-feb 1985).

Education and Affiliations: B.E. (Hons) in Electronics & Communication Engineering from M B M Engineering College, 1978, and later PhD from J N V University, with thesis titled as "Natural Language Processing for Information Extraction and Word Sense Disambiguation," in 2004.

Professional Memberships: Senior Member of ACM, a Senior Member of IEEE, a Fellow of IE(I) (Institution of Engineers, India), and a Chartered Engineer in the domain of Electronics & Telecommunication.
